

# SMART ZONE NEWSLETTER

## SUMMER HOLIDAYS @ SMART ZONE

Attached to this newsletter is the **ACTIVITY PROGRAMME** for Smart Zone over the Summer Holidays.

We have discussed activities with the children and have worked hard to provide a range of activities that will please all ages and all interests.

By popular demand, we have included several '**AWAY DAYS**' so that children have the opportunity to explore and have fun off the Smart Zone site.

All days will start and finish at Smart Zone, unless it is an "Away Day", when an alternative drop off and pick up point has been indicated on the Activity Programme.

## BOOK 10 : GET 1 FREE

SUMMER HOLIDAY booking forms that are returned to SMART ZONE by 9th July WILL QUALIFY for 1 FREE equivalent session for any 10 sessions booked.

## CAR SHARE FOR 'AWAY DAYS'

Smart Zone have planned an 'Away Day' almost once a week throughout the Summer Holidays. On these days Smart Zone will be based off site, for example at Lydiard Park or Coate Water. If any parents require help transporting their children to and from these sites; or you are able to offer transport for additional children alongside your own, please see the Smart Zone notice-board,

## HOLIDAY BREAKFAST CLUB

We are proposing to run a **BREAKFAST CLUB** during the **SUMMER HOLIDAYS**; please register your interest by booking your sessions in the usual way via the Summer Booking Form. We will provide this service in the future if there continues to be a demand.

## OCCASIONAL HOLIDAY SESSIONS

Please note that 'occasional days' at Smart Zone; i.e. not booked in advance, will be invoiced immediately and payment will be due on the first day that your child attends
