- If you need to contact staff on the day please use the 07986 007 129 No. or call the leisure Centre on 750011.
- Please keep your Easter Plan handy so you are able to see at a glance where your children will be at what time, and what they will need for the day.
- If children wish to bring electronic games or phones, these must be given to members of staff for safe keeping until there is an appropriate time for their use / play. (Age 3+ games only please).
- A spare set of clothes would be useful in case of accidents involving mud, water, etc.
- There is an additional cost of £6 (subsidised by the Leisure Centre) for 1 hour 30 minutes for the climbing wall on Monday 12th April. This activity is for a limited number of over 8's only; please tick the appropriate box on the booking form if you would like your child to participate.

## COULD YOU MAKE A DIFFERENCE TO THE LIFE OF A CHILD?

**Chernobyl Children's Lifeline** offer respite holidays in the UK for children suffering from the legacy of the Chernobyl nuclear disaster. You could help this worthwhile cause by welcoming a child into your home and treating them as your own.....you would be providing them with the holiday of a lifetime, as well as greatly benefiting their health and well-being. Applications from local families are welcomed for the next group visit.

Pick up an information leaflet from Smart Zone, or  
tel. Alex Woodhead on 01793 706599.

### FOOD QUESTIONNAIRE

Elaine is analysing the responses to our questionnaires. If there are any parents out there who haven't responded but would like to, please hand in your comments and ideas as soon as possible. Spare Questionnaires are available at Smart Zone.
