FUNDRAISING AT SMART ZONE

Dear Parents, Grandparents and Children,

We are very excited to announce the start of our first ever fundraiser for Smart Zone.

We have chosen **CHOCOHOLICS** as we feel that the range of products available in the brochure includes items that almost everyone buys (and eats) from time to time. Those of you who have tasted their chocolate before, can vouch for its quality; and the prices, starting at just 20p, compare very favourably with similar products on the high street.

The beautiful products are particularly popular with parents and grandparents, as Hallowe'en and Christmas (oops sorry to mention it in September!) are fast approaching!

Your support through the purchase of chocolate products is greatly appreciated and will go a long way in helping us reach our fundraising goal - which is to purchase a new DVD player and, if possible, a play-station or new play-station games for the children.

There are two opportunities to order from Chocoholics and to raise funds for Smart Zone.

- 1 Collect a brochure and order form from Smart Zone. Show it to family, friends and colleagues. Write down orders and pass back to any Smart Zone staff before 14th October (2 weeks time);
- 2 Log onto www.chocolates-for-chocoholics.co.uk, complete an order from your home (product code, description, price, quantity), and **hand the completed order back to Smart Zone** (orders placed via the internet will not qualify towards our fundraising goals), before 14th October.

We thank you for taking the time to consider supporting Smart Zone. Please pick up a brochure or log onto the chocoholics web site as soon as possible.

For further information, you can contact Lisa Longstaff on 01793 752739.
